

Mulford Evangelical Free Church
Special Business Meeting – February 20, 2011
“Hispanic Church”

David Fyffe called meeting to order.

David asks Don Mahraun to present information on Hispanic Church using MEFC building.

Don Mahraun:

Passes out details (attached).

Reviewed each item of the proposal.

Additional item noted MEFC can isolate new wing (ie lock doors to rest of building).

Need second Mulford contact for the Hispanic Church.

Questions:

Rick Nielsen - Will there be an end date to this?

Don Mahraun - No.

Bob Miller - Will MEFC be pulled in if insurance claim and do we carry insurance to cover?

Don Mahraun - The \$100 insurance we would need to buy should cover MEFC.

Bob Miller - Do we (Mulford member) need to check the whole church to make sure all gone (ie not using all church)?

Don Mahraun - Standard practice now. They are using only 1st floor new wing. Have to review.

No further questions.

David Fyffe asks that we get involved with this group as it is a God-given opportunity.

Marti Walker made a motion to adjourn meeting.

Carrie Meyers seconded.
