Email to All Ministry Leaders

Ministry Leaders:

The storage we have at Mulford is very limited and most of our areas Room #101, Balcony Sound Booth, Furnace Room and closets on first floor, youth lounge, office area closet, tunnel area and balcony area are very cluttered and present a major housekeeping problem if not a fire hazard and need to be dealt with. The Stewardship Team and our custodian will be cleaning these areas out in the next few weeks and items that haven't been used in years will be put in room #119 for Ministries and Mulford attendees to take for their use. If it is a ministry please contact me to help you find a suitable storage place for it. When ever the City's Spring Clean-up date is set everything left in room #119 will set out for pick-up. We don't be using our classrooms as permanent storage closets. Thank you in advance for your help and if you want to be part of the clean-up effort just let me know.

Thank You
